High Points

Advanced Performance & Display

Features Android 13 with 8GB RAM and 128GB ROM for smooth operation, complemented by a 12.3-inch HD IPS touchscreen (1920x720) that supports 4K video for vibrant visuals.

Smart Connectivity Options

Supports wireless Apple CarPlay and Android Auto, allowing hands-free access to navigation, calls, messages, and music, while also providing Mirror Link capability and dual USB ports for charging and media playback.

Integrated Navigation & Entertainment

Includes GPS navigation with offline maps and real-time updates, plus access to streaming services like Spotify and YouTube, supporting various media formats for a customizable entertainment experience.

User-Friendly Features

Retains original steering wheel controls for safety, supports a high-definition rear view camera with night vision, and accommodates up to 70 languages for a tailored user experience.

More Specifications:

Wireless Smartphone Integration	Supports wireless Apple CarPlay and Android Auto for hands-free access to navigation, calls, messages, and music, enhancing connectivity while driving
Mirror Link & USB Ports	Allows for mirror linking with Android devices via USB or hotspot; includes two USB ports—one for media playback and another for fast charging (2A)
Bluetooth Connectivity	Enables hands-free calling and wireless music streaming, with an external microphone for clear audio and an integrated FM/AM tuner for radio access
WiFi & 4G SIM Card Support	Features a SIM card slot and built-in WiFi for internet access, enabling real-time map updates, app downloads, and streaming services
GPS Navigation	Offers built-in GPS with an external antenna, offline maps, and support for various navigation apps, including real-time traffic updates and dual-zone functionality
Multimedia Playback	Supports streaming and playback of music and videos through various formats (MP3, MP4, AVI, FLAC), and allows users to create playlists from online services
Steering Wheel Control Retention	Maintains original steering wheel controls for easy access to volume, track changes, and radio channels, enhancing driving safety
Rear View Camera Support	Includes an AHD backup camera with night vision capabilities, automatically displaying the rear view when reversing, complete with dynamic guidelines for parking assistance
Multi-Language Support	Accommodates up to 70 languages, making the system user-friendly for a diverse range of users
