High Points:

Powerful Performance:

You get the latest Android 13 with a Qualcomm Snapdragon 665 Octa-Core Processor, 8GB RAM,

Our Product Introduction

and 128GB ROM, ensuring fast and smooth performance on a 14.4-inch HD touch screen (1920x1200) that supports 4K video.

Wireless Connectivity:

You can easily connect your phone with Wireless Apple CarPlay and Android Auto, allowing you to access navigation, calls, messages, and music safely via Bluetooth.

Multifunctional Connectivity:

You can enjoy Mirror Link, 2 USB ports (one for fast charging), Bluetooth, and a SIM card slot for internet access, allowing you to stream music, videos, and browse apps with ease.

Advanced Navigation and Rear Camera:

You'll benefit from built-in GPS with offline maps and real-time traffic updates. Plus, you can use the AHD rear camera with night vision and dynamic guidelines for easy parking, all while controlling functions through your steering wheel.

More Specifications:

Wireless Apple CarPlay & Android Auto	Allows you to connect your phone wirelessly for seamless access to navigation, calls, messages, and music through your car's system
Mirror Link	Supports Mirror Link with Android phones via USB cable or hotspot, allowing you to mirror your phone's screen on the car's display
Dual USB Ports	Equipped with 2 USB ports; one for media playback and the other for 2A fast charging, ensuring your phone stays powered during use
Bluetooth Connectivity	Enables hands-free calling, music streaming, and wireless connection with your phone or MP3 player for a distraction-free driving experience
Built-in GPS Navigation	Supports offline maps, real-time traffic information, and navigation apps like Yandex, Navitel, and Waze for easy route planning
Rear View Camera Support	Includes an AHD backup camera with night vision and dynamic guidelines for safe parking, automatically displaying the rear view when reversing
Steering Wheel Control	Allows you to control volume, change songs, and adjust radio channels directly from your steering wheel, ensuring convenience and safety
Multi-language Support	Supports up to 70 languages, including English, Spanish, French, German, Chinese, Russian, and more, offering a personalized experience
