【Direct bolt-on Installation】 Truck Flag Pole Install does not Require Cutting or Drilling, Easy to use maintenance tools for installation and removal. This flag pole bracket can be installed on the left or right side according to your needs. It can hold your national flag, or team flag... suitable for sports events, cross-country rides, or tour trips.

【 High-Quality Material】 Made of thickness heavy-duty steel with rust-resistant powder coating, superior strength provides excellent mounting facility, anti-rust, and anti-corrosion. Besides, designed with a drain-off hole on the bottom to drain away raindrops or dust out.

【Flexible Adjustment】 Adjustable length according to your need, and the knob screws could fix the flagpole at any position, improving stability and safety during driving. This Trailer hitch flag holder can hold your national flag, or team flag... suitable for sports events, cross-country rides, or tour trips.

【Easy to Install】 No drilling required, includes all accessories you need. If you have any questions about our flag pole mount holder, please feel free to contact us, we will provide you with reliable product service.

Viknav Truck Bed Flag Pole Holder Compatible For F150 2017-2020 2022 Aluminium Alloy

Truck Bed Rail Flag Holder Kit No Drilling

WHY INSTALL VIKNAV FLAGPOLE STAND

Its surface is smooth to the touch, and it has a minimalist look that'll fit aesthetically with any color.

The undulating sand dunes in desert off-road can obstruct the driver's line of sight. In case of unexpected situations, there is not enough time to react

Installing the antenna and fleet flag simultaneously can enhance both warning and antenna electrical signals

REAL PHOTOS

The flagpole holder can perfectly display your national flag, tam flag, etc. suitable for car shows, sports events, off-road cycling, travel, family vacations, or anything you want to showcase.
